### MAKE OUR STORE YOUR HANGOUT

When you come to Columbia come in to see us. Meet your friends here. We have a free telephone and a City Directory for your use. We will give you ice water to drink in the Summer and a fire by which to warm your toes in the winter. It will be a pleasure to have you call on us, at any time. We like to meet our customers and talk over crop conditions, markets, farming methods and things of this kind. We buy Oats, Peas, Wheat, Corn, Rye, Hay and other staple articles direct from our good farmer friends, and there are many times when we can help you move some of your products.

In submitting this list we cannot refrain from saying a word about the quality of the goods we handle and the service we render our customers. The fact that we are making new friends every day and getting repeat orders from those customers already dealing with us, is proof that our goods are all right. The Seeds we buy are selected with the greatest care, and are always of high germination and purity tests. Our reputation for fair and honest dealing is unquestioned by those who know us, and we gladly welcome investigation on the part of any who wish to make our acquaintance. We stand behind every article we sell and never consider a transaction complete until we know our customer is entirely satisfied.

REMEMBER. Columbia is located in the center of the State, and we have freight, express, mail and motor truck service to all parts of the State. Furthermore, our headquarters, 1232 Assembly Street, is right in the midst of the great Columbia Curb Market—now famous all over the Southeast. On this market many thousands of dollars worth of fresh vegetables and other farm products change hands each week. Bring your produce here and sell it, then call on us for your farm supplies.

Yours truly,

**WILLIAMSON SEED COMPANY, Inc.**

WILLIAMSON SEED COMPANY gives no warranty, express or implied, as to description, quality, productiveness or any other matter of any seeds, bulbs or plants they send out, and will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned and the amount paid for them will be refunded.
